2 EASY PREPARATION

DID YOU DO A SKIN ALLERGY TEST 2 DAYS AGO ?
 If not, please read the **SKIN ALLERGY TEST** sections
 on this leaflet.

- Put on the gloves provided.
- Unscrew the cap from the applicator bottle **A**.

- Pierce the Color-Ease Creme tube **B** with the point of the cap.
- Squeeze the entire contents into the applicator bottle **A**.

- Firmly screw on the cap of the applicator bottle **A** and shake thoroughly to achieve an even mixture.

- Break off the tip of the applicator bottle immediately after mixing to avoid the bottle bursting and damage from the product overflowing.
- Proceed with the application.

CLEVER AND PRACTICAL

The box can also act as a holder for the bottle during application, to prevent any stains and spills in the bathroom.

3 EASY APPLICATION ON UNWASHED, DRY HAIR

BELLE COLOR'S lathering creme formula simply shampoos in for complete even coverage

APPLY TO UNWASHED, DRY HAIR

- Wear the gloves provided and use an old towel to protect your shoulders.
- Apply BELLE COLOR by using the applicator bottle **A** after mixing.
- If you have grey hair either at your temples or at the roots, start the application on these areas.

SPREAD THROUGH THE REST OF YOUR HAIR

- Massage into the hair thoroughly to ensure even distribution through the rest of the hair.
- Use all of the mixture.

DEVELOPMENT TIME : 20 MINUTES

- If you have little or no grey hair, leave to develop for 20 minutes.
- If you have a lot of grey hair (more than 70%), we recommend allowing 30 minutes development time for perfect coverage.

RINSE CLEAR

- After the development time, apply a little water to the hair and massage gently.
- Then rinse thoroughly until water runs clear.

APPLY NUTRITIVE CONDITIONER CREME

- Apply the entire contents of the Nutritive Conditioner Creme sachet **C** to the hair.
- Massage into the hair.
- Rinse thoroughly, until the water runs clear.
- Dry and style as usual.

Never keep any unused mixture and dispose of it immediately to avoid the bottle bursting and damage from the product overflowing.
