

## Dear Parents/Carers,

Our children enjoy spending time outdoors, but their skin is more delicate than ours and can easily be damaged by the sun, even when it doesn't seem strong. In school, your child has been learning to stay safe in the sun using three simple steps - **Wrap, Splat, Hat**. Here are some easy steps to help you protect your child:

Make sure that your child has children's sun cream with a minimum SPF50, a t-shirt, and a hat so that they can **Wrap, Splat, Hat!**

Make sure they apply enough sun cream - up to five teaspoons - every two hours.

Provide them with sunglasses to protect their eyes and a water bottle to keep them hydrated.

Talk to your child about sun safety and the importance of being responsible.

By following the **Wrap, Splat, Hat** message you can keep your child safe in the sun.

The **Wrap, Splat, Hat Competition** offers fantastic prizes (2x £1,000 towards outdoor Sports/PE/Games equipment for your child's school plus L'Oreal Sun Safety Goody Bags for runners-up) and helps spread the message about sun safety. For more information, see <https://nationalschoolspartnership.com/initiatives/wrap-splat-hat/>.

You can also tell your child's teacher about the free **Wrap, Splat, Hat** resources and competition. Simply give them the letter on the next page, with details on how to take part.

Thanks,

Garnier Ambre Solaire

Keep this leaflet safe for your reference, or recycle once you're finished with it. Thank you!

# Dear Teacher,

Outdoor play and learning is an important part of child development, but delicate skin is at risk from the sun. The **Wrap, Splat, Hat** programme teaches children how to be sun safe in just three simple steps.

It's free to download our resources for children aged 3-11. Pupils also have the chance to enter the **Wrap, Splat, Hat Competition** to win prizes including 2x £1,000 of sports equipment for your school.

Our downloadable resources include a **Presentation, Activity Ideas for Teachers** and a **Sun Safety Passport**. They are NASEN approved and include a range of activities suitable for learners of all abilities.

Go to <https://nationalschoolspartnership.com/initiatives/wrap-splat-hat/> to register and download the free resources, and start your pupils on their journey to sun safety.

Thanks,

Garnier Ambre Solaire
